## **Leading Businesswoman and Award-Winning Empowerment Author Set to Release Memoir, *The Peace Angel*, August 1, 2014**

**(LOS ANGELES – AUGUST 1, 2014)** – Inspirational author, peace advocate and award-winning businesswoman Nola Hennessy has announced the release of her forthcoming third book, her deeply candid memoir entitled [\*The Peace Angel – Taking Her Tears and Hanging Them Out To Dry\*](#), set for August 1, 2014.

*The Peace Angel* offers a revealing and personal glimpse into the life of the successful entrepreneur as she deals with the blows of childhood emotional detachment and physical and emotional abuse at the hands of people she trusted. The book details her triumphant journey to the top of her chosen profession by overcoming some of life's greatest hurdles in pursuit of creating her own life and fulfilling her dreams. It also reveals her deeply spiritual journey, and the life and soul-changing events early in the 21<sup>st</sup> Century, that help explain why she remains so passionate for positive change. "In sharing my life story I trust that each reader, on reflection, will take stock of what is critical to their happiness, action what is needed to make positive change, and become more discerning about their choices. Most of us only get one chance at this life. Fortunately, I got two. And whilst sometimes I remain surprised at humanity's poor choices I am forever hopeful that we can work together to be a better humanity, and preserve life and earth for others to enjoy."

Throughout the book, Hennessy takes the reader through a childhood and early adulthood rife with painful slings and arrows in an honest, straightforward account of abandonment, mistreatment, betrayals and harrowing challenges, yet in her trademark inspirational style comes out on the other side the strongest she's ever been, with a message of loving-kindness, forgiveness and compassion.
