# Commendation

## AUSTRALIAN DEFENCE FORCE BRONZE LEVEL

**MS NOLA HENNESSEY**

### **CYBER WARFARE FORCE GENERATION, CYBER WARFARE DIVISION**

*Ms Nola Hennessy is commended for her pursuit of excellence in the development of Cyber Warfare course governance and delivery. From early 2020, she has been a leader in the development of the Joint Cyber Training Continuum. In this, she coordinated the first-of-type authoritative documentation across Defence for the Cyber Joint Learning Management Authority and the Defence Cyber College. In her dedicated pursuit and delivery of these outcomes, she has profoundly enhanced the Defence cyber capability. Ms Hennessy has been a powerful advocate for promoting Joint training integration within Defence's siloed Service and Group cyber capabilities.*

*Defence's cyber professionals in the Services, Groups and Joint force have directly benefited from Ms Hennessy's tireless approach and dedication to developing their training. The outcomes delivered by Ms Hennessy are in direct support of Cyber Warfare Division and the Australian Government's commitment to developing sovereign cyber training outcomes. Ms Hennessy's professionalism and dedication epitomise Defence's core values and are in the finest traditions of the Australian Defence Organisation.*
